Quick Dress Code Reminder

Parents, just a quick reminder as we get back into our school routine:

- Grades 3–8: Belts are required when pants/shorts have belt loops, and shirts must be tucked in.
- All Grades: No open-toed shoes are permitted at school.

Thank you for helping our students look neat, prepared, and ready to learn each day!

Kindergarten is busy learning school and classroom rules. They are doing fantastic! What a fun group of kiddos!!

Virtue of the Week: Obedience

This week, our students are focusing on the virtue of obedience. Obedience is more than simply following rules—it means listening with our hearts, trusting those God has placed in our lives, and choosing to do what is right even when it is difficult or we don't fully understand why.

Our saint this week, St. Bernadette Soubirous, gives us a beautiful example of obedience. When the Blessed Mother appeared to Bernadette at Lourdes, Bernadette listened, trusted, and faithfully did what Mary asked, even when others doubted her. Like St. Bernadette, we are encouraging our students to remember that every time they listen to their parents and teachers, follow directions, and make good choices, they are practicing obedience and growing closer to God.

St. Bernadette, pray for us and help us to have hearts that listen and say "yes" to God!

Did You Know?

"Did you know the Sacred Heart of Jesus is often pictured surrounded by flames? The flames represent Jesus' burning love for us."

Family Faith Minute

One very simple faith activity families can do at home. Before dinner one evening this week, have each person name one thing they are thankful to God for.

Catholic Corner: The Sacred Heart of Jesus

The Sacred Heart of Jesus reminds us of the incredible love Jesus has for each one of us. His heart is a heart filled with mercy, compassion, forgiveness, and love, a love so great that He gave His life for us.

This year, as we live out our school theme, "Be His Heart in the World," we are encouraging our students to ask a simple question: How can I show the heart of Jesus today? We can be His heart when we include someone who feels left out, forgive someone who has hurt us, help without being asked, speak kindly, or simply notice someone who needs encouragement.

As parents and educators, we have the beautiful responsibility of helping children understand that faith is not something we practice only at Mass or during prayer. We carry the love of Christ with us into our homes, classrooms, friendships, and community.

This week, consider asking your child at the end of the day: "How were you the heart of Jesus to someone today?" It is a simple question that can help all of us remember our call to Be His Heart in the World.

Sacred Heart of Jesus, make our hearts like Yours.
