This week, our students have been learning about the virtue of obedience—choosing to listen, follow directions, and do what is right, even when it isn't always easy. Obedience is more than simply following rules; it is learning to trust God and allowing Him to guide our choices.

As we head into the weekend, we encourage our families to talk together about one simple question: "How did I show the Heart of Jesus through my choices this week?" Every act of obedience, kindness, patience, and love helps us Be His Heart in the World! ❤️

Virtue for the Upcoming Week: Courtesy

Saint of the Week: St. Thérèse of Lisieux

This week, we are learning about the virtue of courtesy, showing respect, kindness, and thoughtfulness to everyone we meet. Simple things like saying “please” and “thank you,” holding a door, listening when someone is speaking, or including someone who feels left out are small ways we can show the love of Jesus.

Our saint this week, St. Thérèse of Lisieux, reminds us that we don't have to do big things to make a difference. Her “Little Way” teaches us to do small things with great love. This week, we challenge our students and families to look for little ways to show great love through courtesy.

Every kind word and thoughtful action is another way we can Be His Heart in the World! ❤️

Did You Know?

Did you know that St. Monica prayed for St. Augustine for many years before his conversion? She remained faithful and persistent, trusting that God was working even when she couldn't see the results.

Her story is a wonderful reminder for parents: never underestimate the power of praying for your children!

Family Challenge:

Before bed each night this week, have everyone choose one person to pray for by name. It only takes a minute, but it helps make prayer a natural part of family life..

Catholic Corner: Never Stop Praying for Your Children

This week, the Catholic Church celebrates St. Monica on August 27 and her son, St. Augustine on August 28. Their story is a beautiful reminder of the power of a parent's faithful prayer. For many years, Monica prayed for Augustine as he struggled to find his way to God. She did not give up on him, even when she could not see the answer to her prayers. Eventually, Augustine experienced a profound conversion and became one of the great saints and teachers of the Church.

As parents and educators, we cannot always control the choices our children make, but we can pray for them, guide them, love them, and continually place them in God's hands. This week, take a moment to pray specifically for each of your children by name. Ask God to protect their hearts, guide their choices, strengthen their faith, and help them become the people He created them to be.

St. Monica, pray for our parents.

St. Augustine, pray for our students.

Sacred Heart of Jesus, help us Be His Heart in the World. ❤️
