Welcome Back to School!

Welcome to a brand-new school year! I hope your summer has been filled with rest, laughter, and many special moments with your family. We are excited to welcome everyone back to Holy Rosary Catholic School as we begin another year of growing together in faith, knowledge, and service.

Our theme for the 2026–2027 school year is "Be His Heart in the World." Inspired by Ezekiel 36:26, "I will give you a new heart and put a new spirit within you," this theme reminds us that each of us is called to be the hands, feet, and heart of Christ to everyone we meet. Through acts of kindness, compassion, forgiveness, and service, we have the opportunity to share God's love every day, in our classrooms, on the playground, in our homes, and throughout our community.

As a Catholic school, our mission extends beyond academics. We strive to help every child develop spiritually, intellectually, socially, and emotionally while building a strong foundation rooted in Christ. Together with our families, we will encourage our students to make choices that reflect the Gospel and to recognize that even the smallest act of kindness can make a lasting difference.

This year promises to be filled with exciting learning opportunities, meaningful service projects, school traditions, and many celebrations of our faith. We are grateful for the partnership we share with our parents and families. Your support, encouragement, and involvement play an essential role in the success of our students and our school community.

Thank you for entrusting us with your children. It is a privilege to walk alongside your family as we help our students discover their God-given gifts and grow into the people He has created them to be.

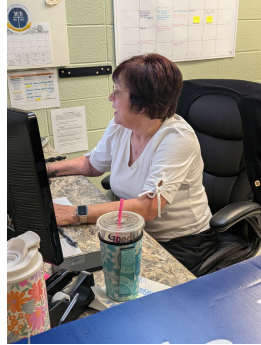

May God bless each of you as we begin this new school year. Together, let us Be His Heart in the World.

We do ask if your child needs help with the seatbelt, please park on Wilson St on the west end to load and unload.

Please do not wait to become VIRTUS compliant. Parents and guardians must be compliant in order to attend field trips with their child, volunteer in the classroom, or transport and supervise students on school-sponsored activities.

We strongly encourage all volunteers to complete the process at least one month before any planned field trips or volunteer opportunities. To make this easier, Holy Rosary will be offering Protecting God's Children (PGC) classes on-site this year. This is the most convenient way to complete the required training without the need to travel. The initial PGC class must be attended either in person or via Zoom.

Most of the remaining requirements can be completed online at your convenience. The easiest approach is to complete your VIRTUS registration first and work through the online requirements before attending the PGC class. By doing so, once your PGC attendance is entered into the system, you will immediately become compliant and ready to volunteer.
