

9/4/2026

This week, our students have been learning about the virtue of Courtesy—showing kindness and respect to others through our words, actions, and attitudes.

Throughout the school, we have been talking about the little things that make a BIG difference: using kind words, saying please and thank you, listening when others are speaking, including others, helping without being asked, showing good manners, and treating everyone with dignity and respect.

THIS WEEK'S HIGHLIGHTS:

Virtue for the Upcoming Week: Faith

Saint of the Week: St. Thomas Aquinas

Our next virtue is Faith, and we will look to St. Thomas Aquinas as our example. Faith is believing in God and trusting in His love, His promises, and His plan for us—even when we cannot see what comes next or understand everything that happens.

St. Thomas Aquinas had a deep love for God and a desire to understand the truths of our faith. He reminds us that faith and learning go hand in hand. We can ask questions, seek understanding, and continue to trust God along the way.

For our students, living the virtue of Faith can be as simple as praying when they are worried, trusting God when something is difficult, participating in Mass, making good choices because they know what God asks of them, and showing Christ's love to others. Faith isn't something we practice only at church—it should guide how we treat others, how we handle challenges, and how we live each day.

As we continue our school theme, "Be His Heart in the World," we want our students to understand that when we live our faith through kindness, forgiveness, courage, service, and love, others can see the heart of Jesus through us. ❤️

🏛️ Weekly School Mass Begins September 11!

We are excited to begin celebrating Mass together as a school on Friday, September 11. The Mass is at the very heart of our Catholic faith and gives our students an opportunity to pray together, hear God's Word, and receive Jesus in the Eucharist.

Families are always welcome to join us for Mass! We look forward to beginning this special part of our school year together as one Holy Rosary family.

More students and staff that have been caught showcasing virtues of compassion, obedience, helpfulness, and kindness.

Lunch Menu - Sept. 7th - 11th

Monday - NO SCHOOL

Tuesday - Soft Beef Tacos

Wednesday - Spaghetti

Thursday - Salisbury Steak

Friday - Pancakes and Scrambled Eggs

Did You Know?

The Catholic Church celebrates only three birthdays on its liturgical calendar: Jesus on December 25, St. John the Baptist on June 24, and the Blessed Virgin Mary on September 8!

Why is Mary's birthday so special?

Her birth was part of God's plan to bring Jesus, our Savior, into the world.

Family Challenge:

Try this at dinner tonight: Ask each person to share one thing they are trusting God with right now.

Then pray together:

"Jesus, help our family trust You, follow You, and show Your love to others. Help us to Be Your Heart in the World. Amen."

Family Challenge: Before bed each night this week, name one blessing from God you noticed during your day.

Catholic Corner: Happy Birthday, Mary!

Did you know that the Catholic Church celebrates Mary's birthday on September 8?

The Feast of the Nativity of the Blessed Virgin Mary is a special day when Catholics around the world celebrate the birth of the woman God chose to become the mother of Jesus.

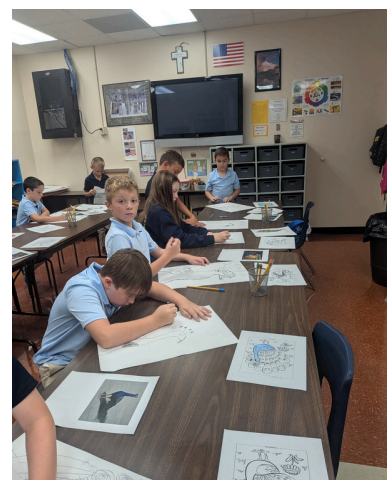

Mary's life reminds us that God can do extraordinary things through an ordinary person who simply says "yes" to Him. Mary didn't know everything that would happen when she accepted God's plan, but she trusted Him with faith—a beautiful connection to the virtue our students will be learning!

September is a wonderful month to bring Mary into your family's prayer life. Pray a Hail Mary together, begin a family Rosary, or simply ask:

"Mary, Mother of Jesus, help our family say YES to God and Be His Heart in the World."

Happy Birthday, Blessed Mother!

Learning, Growing & Having Fun!

There is so much happening at Holy Rosary! From hands-on learning and creative artwork to working together, laughing with friends, and trying something new, our students are learning and growing every day.

These pictures are just a small glimpse of the wonderful moments happening throughout our school. We love seeing our students work hard, be creative, encourage one another, and enjoy learning!

This is what it looks like to Be His Heart in the World!
