

9/11/2026

This week, we begin learning about the virtue of Faith. Faith means trusting in God, believing in His promises, and choosing to follow Him—even when we cannot see exactly what He has planned. We will encourage our students to grow in faith through prayer, trusting God, and showing His love through their words and actions. May we have the courage to say, "Jesus, I trust in You!"

Virtue for the Upcoming Week: Knowledge

Saint of the Week: St. Albert the Great

Our upcoming virtue is Knowledge—the gift of learning about God, His creation, and the world around us so that we can make wise and good choices. Knowledge is more than simply knowing facts or getting good grades. It means being curious, asking questions, listening carefully, and using what we learn to grow closer to God and to serve others.

Our saint for this virtue is St. Albert the Great, a brilliant teacher and scholar who studied everything from theology and philosophy to science and nature. St. Albert reminds us that faith and learning go hand in hand. He used his great knowledge not for praise or recognition, but to better understand God's amazing creation. This week, we encourage our students to remember that every opportunity to learn is also an opportunity to discover more about the wonderful world God has given us.

Grades 4th - 8th visited Steam Boat Arabia on Thursday. Students learned about the history. Pictured with Alex and Natalie is Dave Hawley, a original digger of the Arabia.

Catholic Corner: The Sign of Our Faith

On September 14, the Church celebrates the Feast of the Exaltation of the Holy Cross. The Cross reminds us that what looked like defeat became the greatest sign of God's love, mercy, and victory. Jesus willingly gave His life for us, showing just how deeply we are loved.

We see crosses everywhere—in our church, classrooms, homes, and even around our necks—but sometimes we can forget what they truly mean. This week, take a moment as a family to really look at the Cross. Remind your children that making the Sign of the Cross isn't something we should rush through. It is a prayer and a declaration of our faith: we belong to Christ.

As we continue our school theme, Be His Heart in the World, the Cross gives us a beautiful example. Jesus showed His heart through sacrifice, forgiveness, and love. We can do the same in the small choices we make every day.

Family Faith Challenge: Before leaving home each morning this week, make the Sign of the Cross together and pray:

"Jesus, help us to carry Your love into the world today."

Did You Know? ❤️ The liturgical color for the Feast of the Exaltation of the Holy Cross is red, reminding us of Christ's Passion and sacrifice.

5th Grade did an amazing job today at our first Children's Mass. Father talked about the importance of Forgiveness.
